moki lives and works in berlin, germany.

she is part of the BeetoBee Collective, a group connecting artists from european and asian culture. ([www.thebeetobee.net](http://www.thebeetobee.net))

together with friends she is running an independent artspace named "hinterconti" in hamburg. ([www.hinterconti.de](http://www.hinterconti.de))

since 2006 she's drawing comics for the comic anthology "orang" from the publishing house kikipost which has released her first book called "asleep in a foreign place".

her second book "how to disappear" was published in autumn 2010 by gingko press.

"wandering ghost" her first comic album is released 2011 by reproduct.

recently she is working on a children's book about animals with the writer rae mariz from stockholm, sweden.

moki works as painter and comic & children's book author, she does animations films and installations.
